Decimal Appoints Macquarie Executive as CEO

Highly experienced financial services industry leader & digital strategist

Decimal Software Limited (“DSX”) is pleased to announce that Carolyn Colley will join as CEO of the Australian and New Zealand business from November 17, 2014.

Carolyn comes to Decimal after serving over 5 years in senior positions with Macquarie Bank, most recently as Executive Director Head of Personal Banking (Direct Channel). Prior to that, she was Head of Strategy and Market Development for Macquarie Adviser Services, including the development of the Virtual Adviser Network, other advice business solutions and financial planning software. She has also held senior roles with BT Financial Group where she led development and launch of their Wrap product and St. George Bank where she was COO of Wealth Management.

Executive Chairman, Michael Sertorio said, “Carolyn brings a rare and intimate understanding of the financial services marketplace and how it is being transformed by digital technology. We believe she will bring significant immediate value by accelerating our market strategy and product development activity that commenced in mid 2014 and is rapidly gaining momentum.”

Mr. Sertorio will continue to head the listed entity including managing group corporate strategy and investor relations. Executive Director, Jan Kolbusz, will work closely with Carolyn and the team in driving growth and ongoing product development.
